# Evolution™ Windshield Wiper Program

The **Bosch Evolution™** beam windshield wiper program delivers exceptional all weather visibility. Product highlights include:

- 1** Patented beam technology applies more uniform wiper arm pressure along the entire length of the blade for virtually streak-free wiping performance.
- 2** Exclusive, blended rubber for clean, quiet performance.
- 3** Aerodynamic, symmetrical wind spoiler holds blade to windshield for a consistently clear wipe.
- 4** Double locking connector offers quick, easy and secure installation.
