

Make a Power Play for Lighter, Longer-Lasting Lithium!

Up to 10X Longer Life + 2X the Useable Energy* = Endless Fun!

Why Bosch?

- ▶ **Longer battery life** thanks to more than 3,000 charge cycles
- ▶ **Up to 50% less weight** vs. lead-acid batteries
- ▶ **Sleep/Wake Function** - for long periods of non-use or off-season storage while battery is connected; keeps charge without any sulfation.
- ▶ **Easy charge-level viewing** via State of Charge indicator
- ▶ **Flexible Installation** due to quad terminals for multiple wiring configurations
- ▶ **Safe to use**** – Advanced LiFePO4 technology is safer than lead-acid or other lithium technologies
- ▶ **Water resistant** – IP67 rated***

Power Up & Play with Bosch Premium Lithium Leisure Batteries

*Compared to lead-acid batteries – depending on use case; 2X the usable energy on a single charge

**Compared to NCA or NMC lithium-ion batteries

***Water-resistant up to a depth of about 3 feet for up to 30 minutes
